First Annual Southeastern NIH Biotechnology Training Grant
Career Development Workshop

June 16-17, 2016
Schiciano Auditorium
Fitzpatrick CIEMAS Building
Duke University
Durham, NC

Participants:

Center for Biomolecular and Tissue Engineering (CBTE)
Duke University
Director: Charles Gersbach, PhD, Department of Biomedical Engineering

NIH Biotechnology Training Program in Cell and Tissue Engineering (CTEng)
Georgia Institute of Technology
Director: Andres J. Garcia, PhD, Department of Mechanical Engineering

Molecular Biotechnology Training Program (MBTP)
North Carolina State University
Director: Robert Kelly, PhD, Department of Chemical and Biomolecular Engineering
Co-Director: Jason Haugh, PhD, Department of Chemical and Biomolecular Engineering

Biotechnology Training Program (BTP)
University of Virginia
Director: Gordon Laurie, PhD, Department of Cell Biology

Workshop Hotel
Residence Inn
1108 W Main St
Durham, NC 27701

Thursday, June 16, 2016

8:00 – 9:00am Check-in and Breakfast
Schiciano Pre-function

9:00 – 9:15am Opening Remarks

9:15 – 10:00am Barbara Gerratana, Ph.D.
Program Director, Division of Pharmacology,
Physiology and Biological Chemistry, NIGMS

10:00 – 11:00am Rapid Fire Session
11-11:15am Break
11:15-11:45am Team Activity
11:45 – 12:30pm Lucinda J. Camras, PhD
Chief Scientific Officer
Camras Vision
Duke BME and CBTE ‘13
12:30 – 1:30pm Lunch
Schiciano Atrium
1:30 – 2:15pm George C. Engelmayr, Jr., PhD
Associate Director, Vessel Development
Humacyte
2:15-3:00pm David G. Ousterout, PhD
Chief Technology Officer
Locus Biosciences
Duke BME and CBTE ‘14
3:45 – 4:15pm Panel Q&A – Camras, Engelmayr, Ousterout
4:15-4:30pm Break
4:30-5:15 pm Elizabeth K. Bucholz, PhD
Associate Director of Undergraduate Studies
Department of Biomedical Engineering
Duke University
Duke BME’08
5:15-5:45 Team Activity
5:45 – 6:30 Happy Hour / Reception
6:30-7:00 Return to hotel
7:00 – 9:00pm Dinner
Dos Perros
9:00 pm West End Billiards
Friday, June 17, 2016

8:00am – 9:00am  Check-in and Breakfast
   Schiciano Pre-function

9:00 – 9:45am  Laura Hagerty, Ph.D.
   Scientific Program Officer
   Muscular Dystrophy Association
   Duke Pharmacology ’07

9:45-10:30 am  Charles Anamelechi, PhD
   Senior Consultant, Deloitte (2013-Present)
   Project Manager, FDA (2009-2013)
   Duke BME and CBTE ’08

10:30-11:15am  Barry Myers, PhD, MD, MBA
   Professor, Department of Biomedical Engineering
   Managing Director, Duke Office of Licensing and Ventures
   Director, Duke-Coulter Translational Partnership

11:15-11:30am  Break

11:30-12:15pm  Derek Jantz, PhD
   Chairman and Chief Scientific Officer
   Precision Biosciences

12:15-1pm  Ali Behbahani, MD
   Partner
   New Enterprise Associates
   Duke B.S. BME, EE, CHEM

1-2pm  Team Activity and Presentations w/ Lunch
